ABOUT THE COLLEGE

Srinivasa Institute of Engineering and Technology (Autonomous) was established in the year 2009 by Sri Saraswathi Educational Society. The Institute is approved by AICTE, New Delhi and permanently affiliated to JNTUK Kakinada. The splendid avenue, imposing buildings, sprawling play grounds and is located in the heart of Konaseema, near Amalapuram and has become one of the most preferred choice of the aspirants who want to pursue quality Engineering education. The Institute achieved accolades with impressive credentials, and stands as an epitome towards Quality education in Polytechnic, B.Tech., and M.Tech. programmes. The Institution has been accredited with A grade by NAAC in the year 2017 and UGC conferred the Autonomous status in the year 2021. The UGC has granted Autonomous status and recognized the institute under u/s 2(f) & 12(B) of the UGC act 1956.

ABOUT THE CONFERENCE

The primary objective of the National Conference on Scientific Research and Innovations In Emerging Technologies (NCSRINIET-2024) is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the Engineering in line with the conference theme "Technology advances in the field of Engineering". The scope of the conference is to gather scientists, practitioners, members of technical committees to discuss and envision the technological advancements.
